Help is available for scanning your Vaccination Certificates

We're here to help! We'd love you to be all set to return to our premises once again for community activities (from 25 October) and worship (from 5 December).

If you would like help to create a digital copy of your Vaccination Certificate, Immunisation Record or Medical Exemption document, Lesley and Nicola have reserved two days to be available to scan your hard copy document or help download a PDF file to your device. Your documents will be saved securely to our GPUC

register, which will enable faster entry processing when you return to in-person activities.

Please make an appointment to visit **Gordon** on either **Tuesday 19 October**, or **Thursday 28 October**.

We have to operate by appointment in order to manage distancing and numbers of people in the area.

To book, please contact Lesley on **0480 223 981** or via lesley@gpuc.org.au
