Events in Term 4

The Friday Morning Help Desk @ UGCC

The new Friday morning Help Desks have been well received and are a welcome addition to our Friday offerings. They will continue during term 4.

We hope the Help Desk connections will create a further awareness of our activities and bring new people and initiatives to the centre.

Jacaranda Concert is back on Sunday 20th November 2022!

This year the concert will have more of a 'community' flavour. We have invited representatives of musical groups who use the church's rooms for teaching or practice to present items, and we are also holding a Jacaranda photographic competition in conjunction with the concert.

Save the date!
